The extraordinary life of

Malala

Survivor, activist, legend

Designer Profile

JIM JAM THE LABEL

More than just a nightwear brand. Contemporary, funky and stylish personalised sleepwear is at the heart of Jim Jam the Label. Inspired by amazing fabrics and luxurious samples, Jim Jam The Label is a stand out brand to have in your wardrobe. After all, fashion fades but you always need your PJ's. Shop their newest collection at

www.jimjamthelabel.com Instagram @jimjam.the-label

FETOLIA

Fetolia is a new fashion brand specialising in designing beautiful silk scarves and high-end fashion gifts that are made in Europe with a timeless quality and a touch of art, for those who embrace individuality. Fetolia also cares for the environment and follows sustainable and ethical manufacturing processes. Their colourful designs are exclusive and produced in limited editions. Model –

WEVEN DESIGN

Based in Amsterdam, Weven Design's statement slow fashion pieces come with a positive social and environmental impact. Made to order, in bright colours and prints! Fun, fair and locally made using deadstock, recycled and vegan fabrics, produced at the hands of refugees. Shop at www.wevendesign.com and follow on Instagram @wevendesign

RAGA

In 1976, Krishan Chaudry opened a boutique on Windward Ave in Venice Beach. He dreamed of designing collections that would express his identity, blending his heritage in India and home in Los Angeles. Joined by his wife Savita and sons, Sahil and Samir, he launched RAGA, meaning 'melody of colour', with the aim of revealing our true colours. Visit shopraga.com and follow @shopraga

MAISON BOGOMIL

MAISON BOGOMIL is a contemporary Bulgarian brand founded by Bogomil Peychev. Made for fashion-forward, career-driven people with strong individualities and sophisticated taste, the label creates one-off seasonal collections in limited quantities. All clothes are locally and consciously produced using sustainable design practices. Follow @maison_bogomil on

Instagram and shop online at www.maisonbogomil.com

WE FOUND IT STUDIO

French couple Jones and Laurie launched We Found It Studio to offer timeless, versatile and playful designs that celebrate women's bodies of every shape and size. Using only vintage and surplus fabrics, their pieces are made to order by local seamstresses, to ensure their manufacturing process is both sustainable

and ethical. Visit www.wefoundit-shop.com and follow @wefoundit_studio on Instagram.

WYN WEAR

Wyn Wear founder Siobhan Lam believes in embracing individuality and wearing what you love. This hand-curated selection of pieces from independent Korean designers brings high quality international fashion to your doorstep. Available in limited quantities, each line celebrates minimalist fashion with a unique edge. Photos by @domsimages Shop on www.wynwear.co.uk and follow @wynwear on Instagram.

CARTÉ LUXURY

CARTÉ Luxury's world embodying confidence, glamour, and artistic style showcases its new SS21 womenswear collection piece. Designed by Cuthbert Assan owner and designer of CARTÉ Luxury. Creative direction and photography by Demi Hoang @maeshotme Carteluxurystore.com Follow them on Instagram @carteluxe

MELINA BUCHER

This vegan designer bag label marries aesthetics with empathy. With her background in sustainable fashion management, Melina created her eponymous brand to push boundaries, offering high-end pieces for women that are durable, multifunctional and seasonless; made from vegan leather and GOTS certified cotton. Each bag is produced with a commitment to transparency and traceable supply chains and

partnership networks can be found on www.melinabucher.com Follow @bucher bags

CASA DI NOURELLE

Fouzia Dress by Nourhan Sawa. Nourhan Sawa's eponymous lifestyle brand crafts research based designs, inspired by a unique blend of a Greco-Roman Egyptian culture where each piece tells a real life story. Nourhan Sawa offers the modern day woman a timeless product with a sentimental value and contributes to saving our planet by working sustainably. Photographed

by Omar Kamali Instagram: @nourhansawaofficial or visit www.casadinourelle.com

BAMIN

Bamin Bohemian Collection was put together to create an inspiring and conscious alternative. For their first collection, Bamin, as a large family of designers, took their inspiration from the Bohemians. Lovers of nature, Bohemians had adaptable lifestyles. All sustainable and handmade garments have almost no buttons, no zippers and can fit

any occasion. Discover more at www.bamin.de and follow them on Instagram @bamin.de

JASWANT

Jaswant is a new luxury shoe brand for the woman who is bold, confident yet refined in her taste and wants to stand out, fully expressing herself and her personality through her style. Jaswant Stoecklin draws inspiration from her passion for contemporary art and architecture, which is reflected through unexpected heel shapes and material combinations. Available at www.jaswantshoes.com
